

ENGLISH LANGUAGE PROGRAM

Overview:

MSA University is glad to host an English Language Program (ELP) in order to contribute to the ever-growing community service activities on campus. The main objective of the program is to help learners from the community, both insiders and outsiders to develop their English language skills. **Four Levels are offered, as follows:**

- **Building (Level 1):**

Designed to help learners to communicate effectively and confidently in everyday situations through the practice of the 4 main skills: reading, writing, listening and speaking. - **Foundation (Level 2):**

Designed for learners who want to improve their English language proficiency by practicing the 4 main skills: reading, writing, listening and speaking. - **Fundamental (Level 3):**

Designed to help learners develop key skills: reading, writing, listening and speaking at a higher proficiency level. - **Progression (Level 4):**

Designed to prepare learners to select from a range of specific courses at a more advanced level.

Vision:

The English Language Program (ELP) is an integral part of the vision of MSA University that seeks opportunities for expanding a world-class academic model regionally.

Mission:

The mission of The English Language Program (ELP) is to provide its community with the ability to compete and excel in an ever-changing dynamic world through its dedication to the pursuit of excellence.

Benefits:

The English Language Program (ELP) - MSA places a significant emphasis on creating opportunities for its community to expand knowledge and satisfy needs. ELP- MSA is always keen to contribute and assist in the overall advancement and growth of the community in which it operates. The program helps learners develop their academic and social skills. It helps learners write better sentences, paragraphs and essays. It also helps improve conversation and presentation skills. This, in turn, helps learners become more confident in their social circles, which makes joining MSA's extracurricular activities much easier. This program gives learners the skills needed for the recruitment interviews and other activities.
